No.

Fee,

Wilmington, Mass., June 1, 1986

This may certify that The Class of 1986 of Wilmington High has permission to Build a yearbook entitled "Under Construction" at 159 Church Street, situated on ....., according to the provisions of the Statutes and By-Laws relating to zoning and to the Construction and Inspection of Buildings in the Town of Wilmington.

Attention is especially called to the following, from the complete Building By-Laws:

Footing Forms must be inspected before pouring concrete.

Chimneys must be built with flue lining entirely surrounded by hard clay brick. Metal fire stops, or equivalent, to be placed around chimney at each floor and each ceiling level. — 2 feet minimum above ridge; unless ridge is over 10 feet distant.

Walls and petitions must be fire-stopped at each floor and at each ceiling.

Positively no lathing shall be done, or framework covered with any other material including insulation, until all fire-stopping is in and the same has been passed upon by the Building Commissioner. Plumbing gas fitting and wiring must be inspected and passed before inspection of fire stopping. To this end the Inspectors must be notified when the work is ready for inspection.

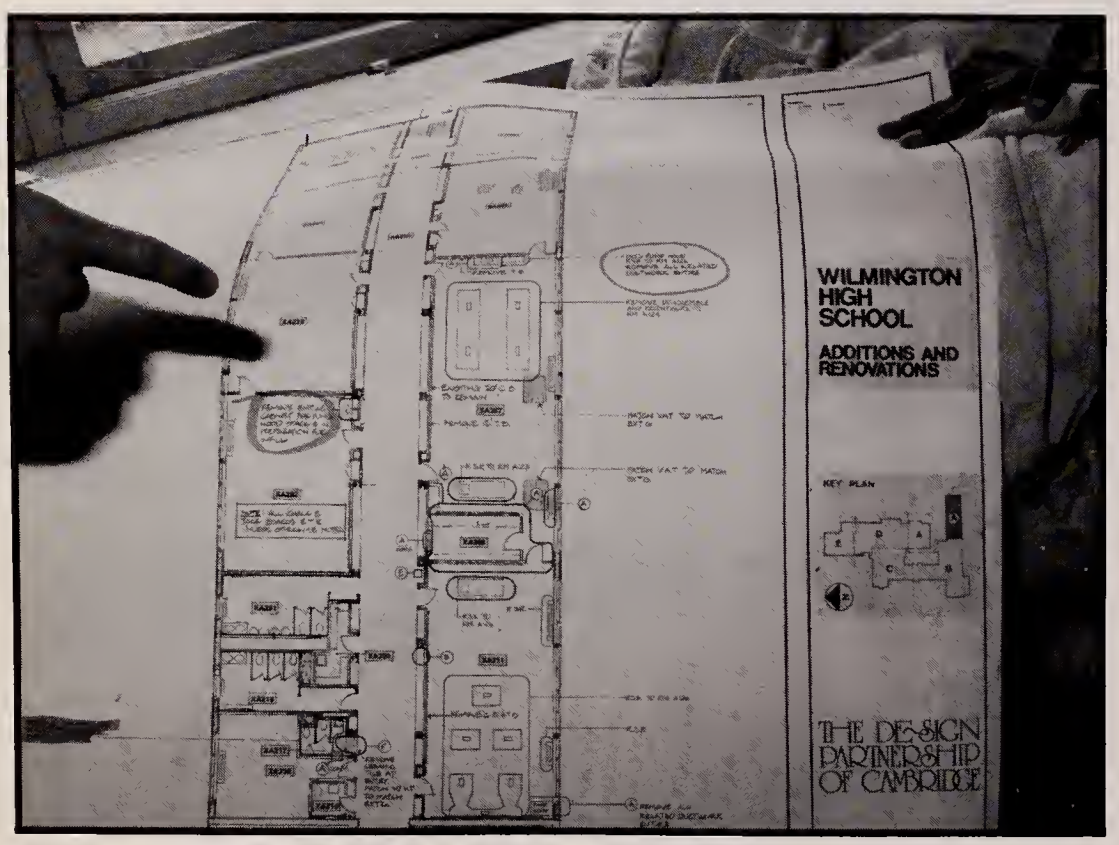
DIANE M. ALLAN NOTARY PUBLIC COMMONWEALTH OF MASSACHUSETTS

DIANE M. ALLAN, Notary Public
My Commission Expires April 27, 1990



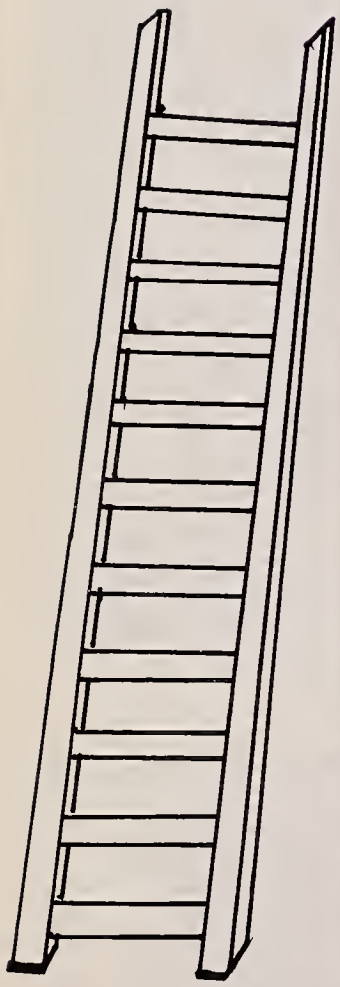
As we returned for the final year *of our public education, we were greeted by some strange sights. The back of the school was all fenced off, mounds of dirt were everywhere, and construction workers were tearing up the grounds. Inside Mr. DiSarcina was removed from his "lovely" green room, and Mr. Dicey and the YECID CORP. were dispaced after over twenty years of residence.*

The distractions increased as the school year progressed. The pounding of sledge hammers, the number of heavy machinery, the whine of drills, and the rattle of jackhammers provided more than enough noise to cause problems in teaching and learning. Even Mr. Krey had a hard time being heard during the year. Things were definitely difficult on both sides of the desks.

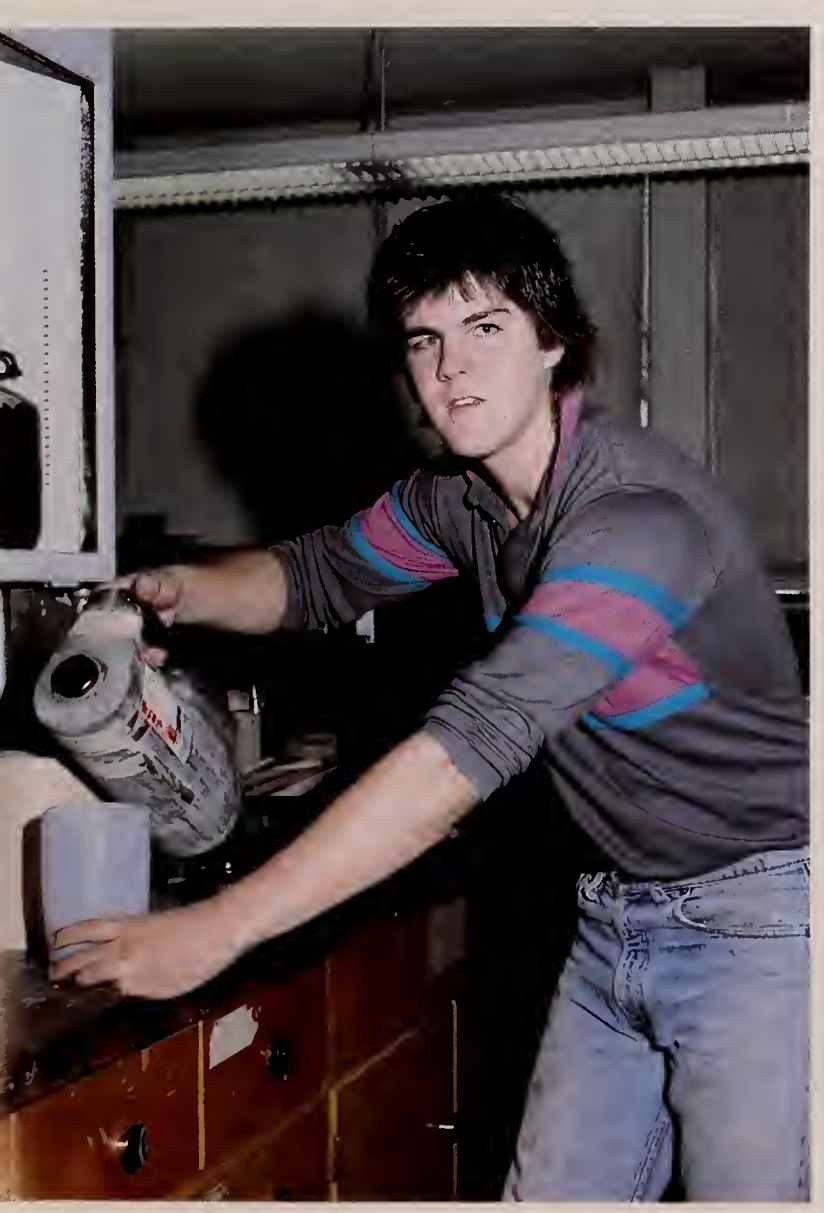
Now that our final year has come to a close, we must consider how the High School renovation will benefit future students, whether they be strangers, neighbors, younger brothers and sisters, or even our children. Although we were faced with many obstacles throughout the year, the results of the renovation will prove to have been valuable. A special thank you to all of the people who supported this project and helped it become a reality.

The High School renovation *is going along smoothly now, but it wasn't always this way;*

the beginning was a very rocky road. The project's footings were put down in October



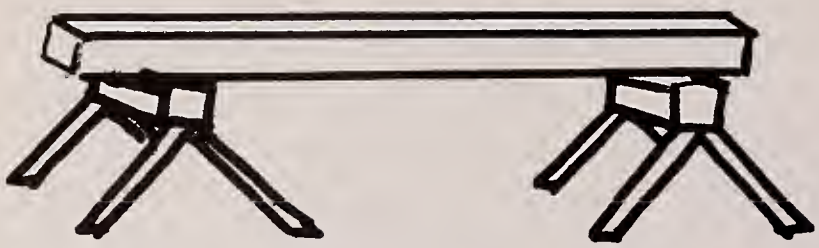
of 1982 when the Permanent Building Committee was reactivated to study the High School.

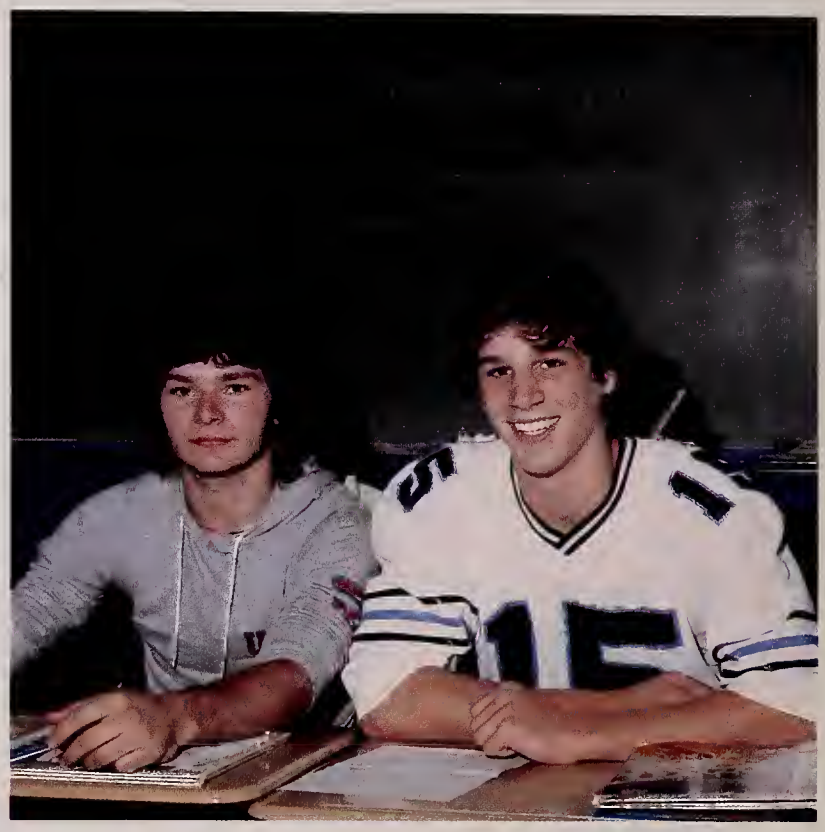


The PBC decided to hire a consultant and at the 1983 Town Meeting they were voted $35,000

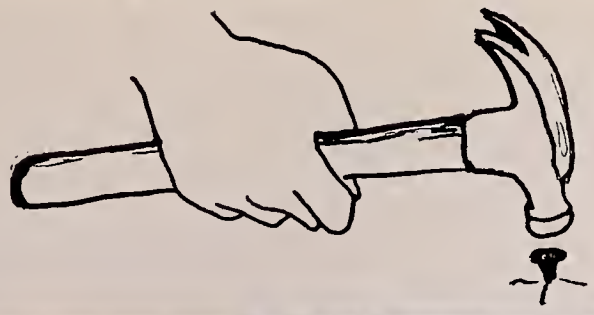
to hire Design Partnership of Cambridge to draw up a set of preliminary plans. The

firm came up with a figure of 6.5 million dollars. In November of 1983, a special Town

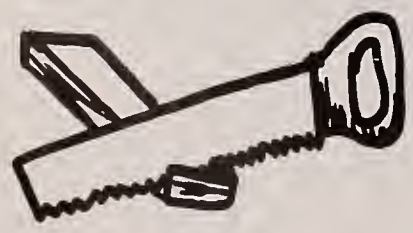




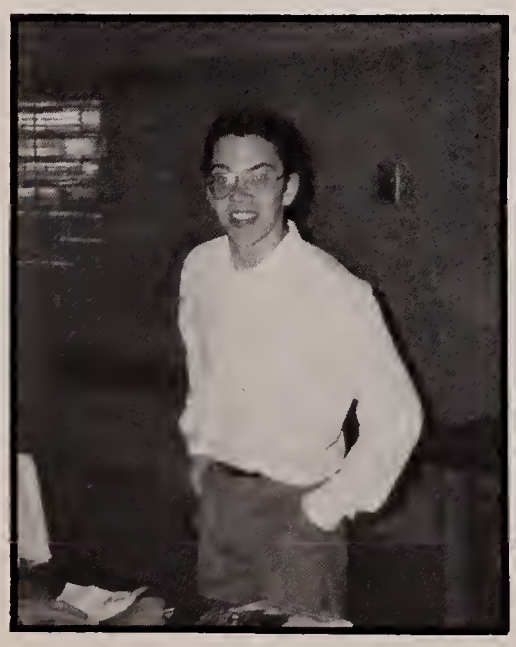
Meeting was called because a vote to override proposition 2½ was needed. Unfortunately,

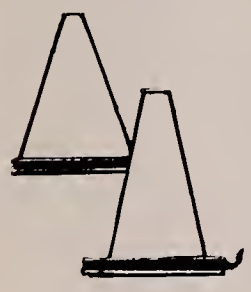


this motion was defeated. In January of 1984, Dr. Carol Sager and the school committee



organized a Renovation Task Force, whose job was to educate and inform the voters. Their

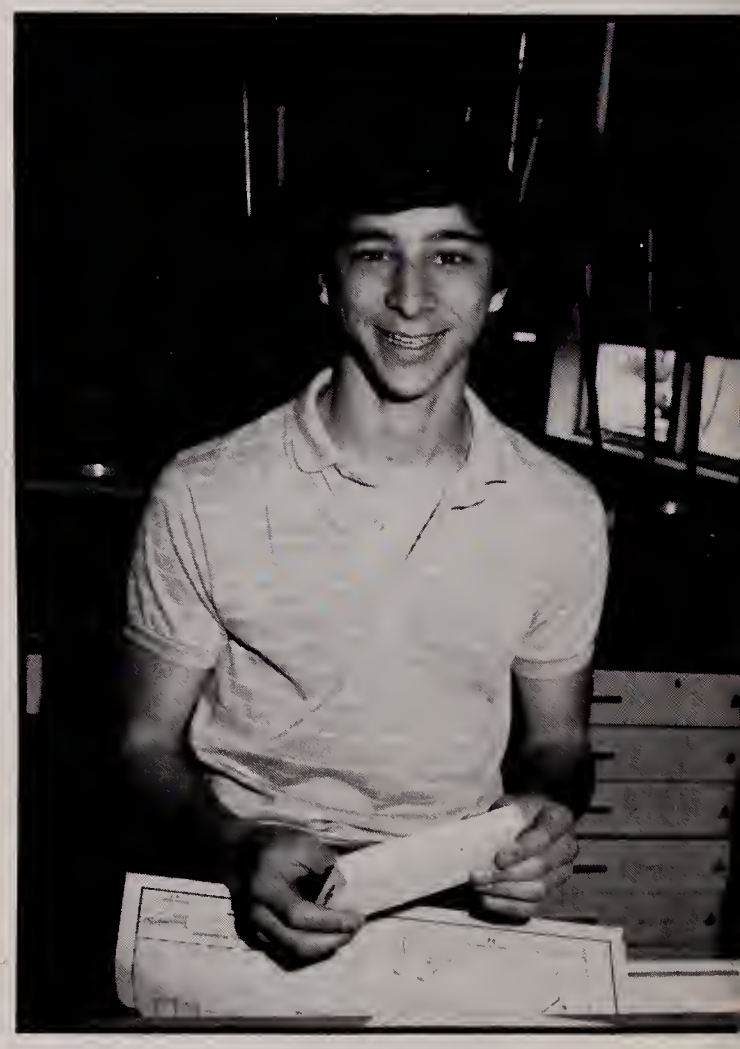




master stroke, was the rally on the common on April 14, 1984, a week before the

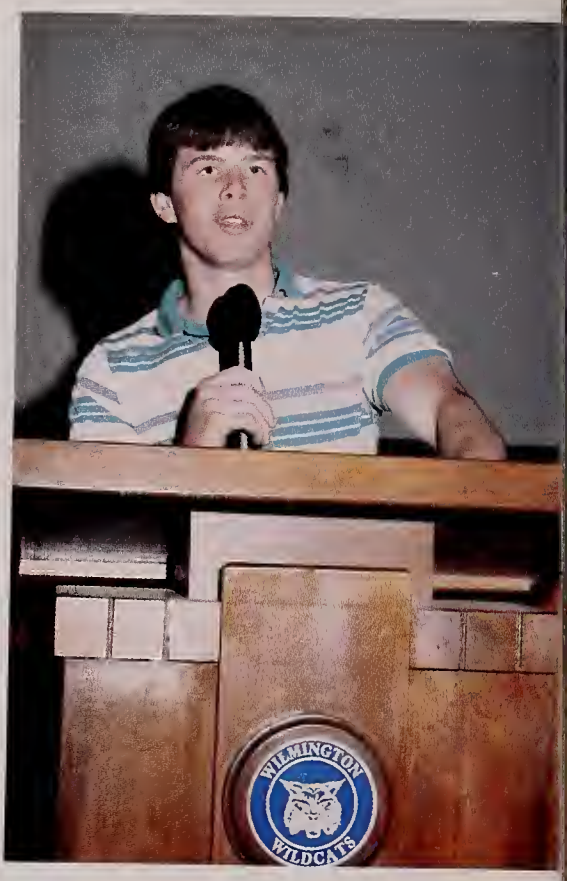
vote to override prop 2½ for second time. The rally was a huge success and, on

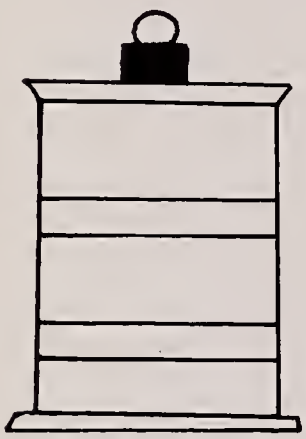
April 21, the town voted to override prop 2½. On April 28, it was voted to allow the

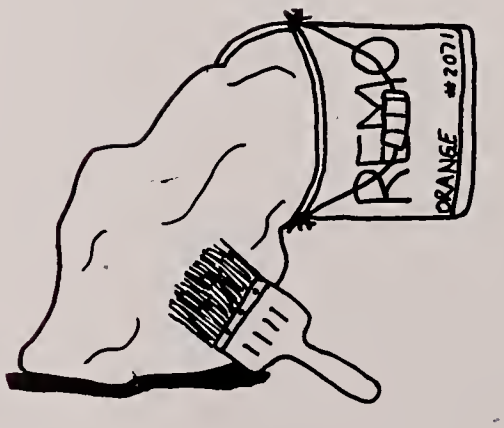


rown to borrow the money to finance the project. Finally in September, 1984 the final

design contract was signed, starting the wheels towards the building of a better high school.







TEACHER OF THE YEAR

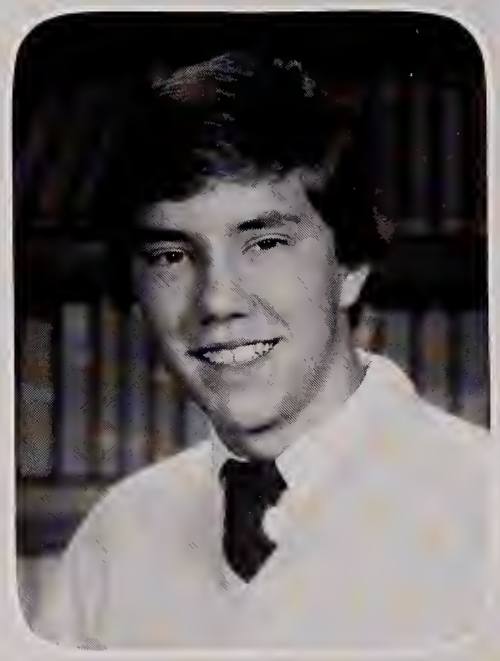
CONGRATULATIONS TO THE CLASS OF

IN MEMORIUM



Dan will always be remembered by his classmates, teammates, teachers, friends, and family.

DAN ROLLINS

In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of all others that knew him.

CROSS COUNTRY

BOYS CROSS COUNTRY

For the second yeor in o row, o strong Lowrence cross country teom stood in the woy of the Wildcot's ottempt to win the MVC Smoll Schools' Chompionship. The ten point loss dimmed, but did not tornish the overoll commendable 7-3 record. Billerico, Hoverhill, Andover, ond Lowell were oll defeoted olong with Drocut, Tewksbury, ond Methuen. Brion Riberio ond Fronk Dinsmore were both outstonding throughout the seoson ond ogoin were occorded All-Stor recognition by MVC coaches. Although seniors were the bockbone of this yeors squod. A strong nucleus of underclossmen should moke things interesting in 1986.

GIRLS CROSS COUNTRY

Injuries finally caught up with a team that only had five veteran runners this year. Wins over Lawrence and Andover were rewarding while close losses to Billerica and Tewksbury proved that this team could be respectable if its members could stay healthy. There were no "ifs" about Andrea Hayden's performances, however. Her second outstanding cross country season in a row earned her MVC, Lowell Sun, and Boston Globe All-Scholastic recognition. Valiant efforts by many of the other team members also contributed greatly to the Wildcat's successes.

FIELD HOCKEY

Standing L to R: Lisa Rogers, Cheryl Ward, Amy LaVina, Amy Caruso, Jen Connors, Karen Ouellette, Jen Campbell, Tina Favero. Kneeling: Miss Cassidy, Carolyn Tuxbury, Renae Allaby, Karen Andersen, Darice Reitchel, Mrs. Urquhart. Sitting: Marian Cushing, Lisa Curane, Aurelie Smith, Nancy Newark.

The 1985 Field Hockey Team, lead by co-captains Aurelie Smith and Lisa Curane, regained the MVC Championship by posting a 15-1-2 regular seasan record. The lane lass came in a hard faught contest at Tyngsboro.

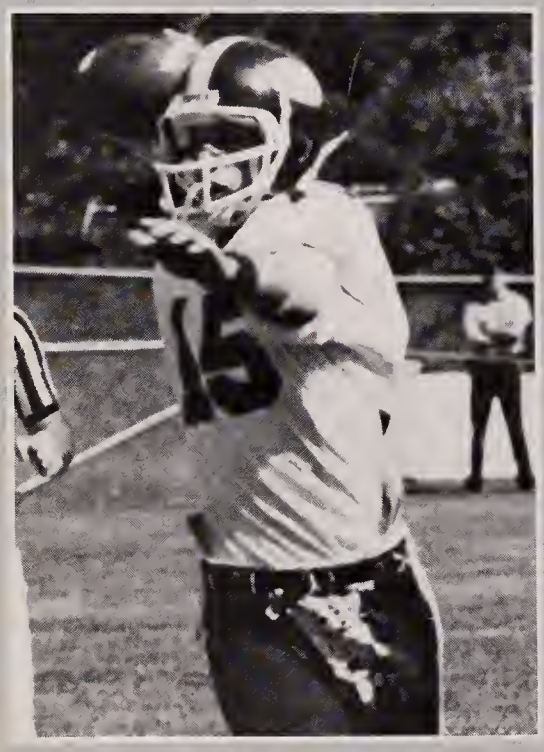
The affense scored 48 goals, most off the sticks of the "dynamic dua", Marian Cushing and Lisa Curone. Bath farwards were MVC All-Canference stand-outs.

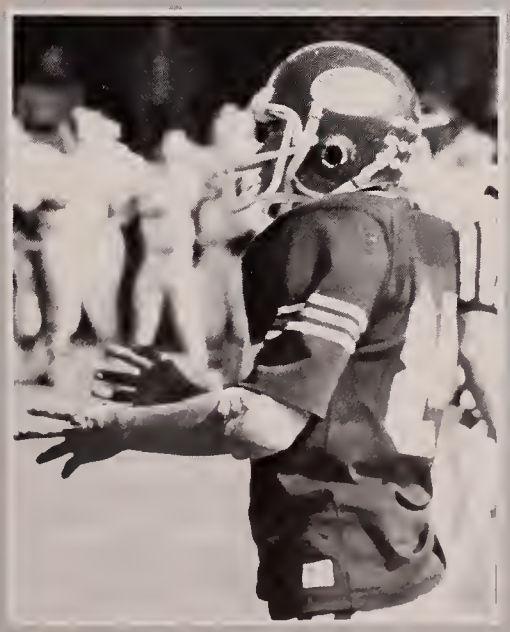
The mid-field was contralled by the flashy sticks of vererans Aurelie Smith and Renae Allaby. They also provided the defense an the White Mt. 3 an 3 championship. Only 6 goals were scared against the Champs all seasan. Praviding this formirable barrier was Carolyn Tuxbury "(Steady Freddie)" and "All-Everything" Nancy Newark. Gaalie Tina Favero had 53 saves to help the cause.

This teams' all around "artistic" display of skill and team work made them a joy to watch.

FOOTBALL

Back row: John DesForge, Tom Pote, Dove Kelley, Russ Lydon, Eric Ouellette, Mr. Muccio. Middle row: Mr. Tildsley, Mr. Horrison, Mickey Rooney, George MacDonald, Chris Athonasia, Al Ausiello, Mark Bloir, Mr. Woods, Mr. Nihan. Sitting: Fred Ryan, Kevin Collins, Anthony Curone, Peter Campbell, Ed Shelley, Dave MacDanold, John McLoughlin.





The Wilmington Wildcats Football team's season was one of highs and lows in play, with wins over Billerica (38-8), Methuen (24-22), and Dracut (42-8), and disappointing lases against Andover (14-20), Lowell (12-24), and Thanksgiving Day against Tewksbury (6-7). Seniors on the 1985 squad were: Chris Athonosia, Peter Campbell, Kevin Collins, Tony Cutone, John Desfarge, Russell Lydan, David MacDonald, John McLaughlin, Brain Murphy, Eric Ouellette, Charles Raaney, Fred Ryan, and Edward Shelley.

SOCCER

Back row: Mr. Scanlan, Joe Magliazzi, Charlie Pratapapas, Brian Dussault, Ray Mercuri, Bob Seville, Chris Kane, Dave Hamilton, Chris Sartori, Joe McMenimen, Jim Magliazzi, Dave Michaud, Pete Smith, Greg Connors, Mike Michaud. Front row: Evan Dewire, Mike Stuart, Chris Kincaid, Eric Torell, Steve Bjork, Chris Parr, Paul Marotta, Tom O'Reilly, Rob Hill.

Coach Scanlan, Tri-captains Torell, Bjork & Parr.

The 1985 Wildcat Saccer seasan was hi-lited by the strang defensive play af Captain Chris Parr, the scaring af Ray Mercuri and the gaal keeping of Captain Steve Bjark. All of the abave players made the MVC Small Schaal All-Star Team.

There were ather seniars wha made strang cantributians ta the Cats 6-12 seasan. Mid-fielder and Captain Eric Tarell, Defenders Tam O'Reilly, Chris Sartari, Dave Hamilton and Chris Kincald and striker Paul Maratta.

It was a 3rd place finish far the Cats in the MVC Small Schaal Divisian.

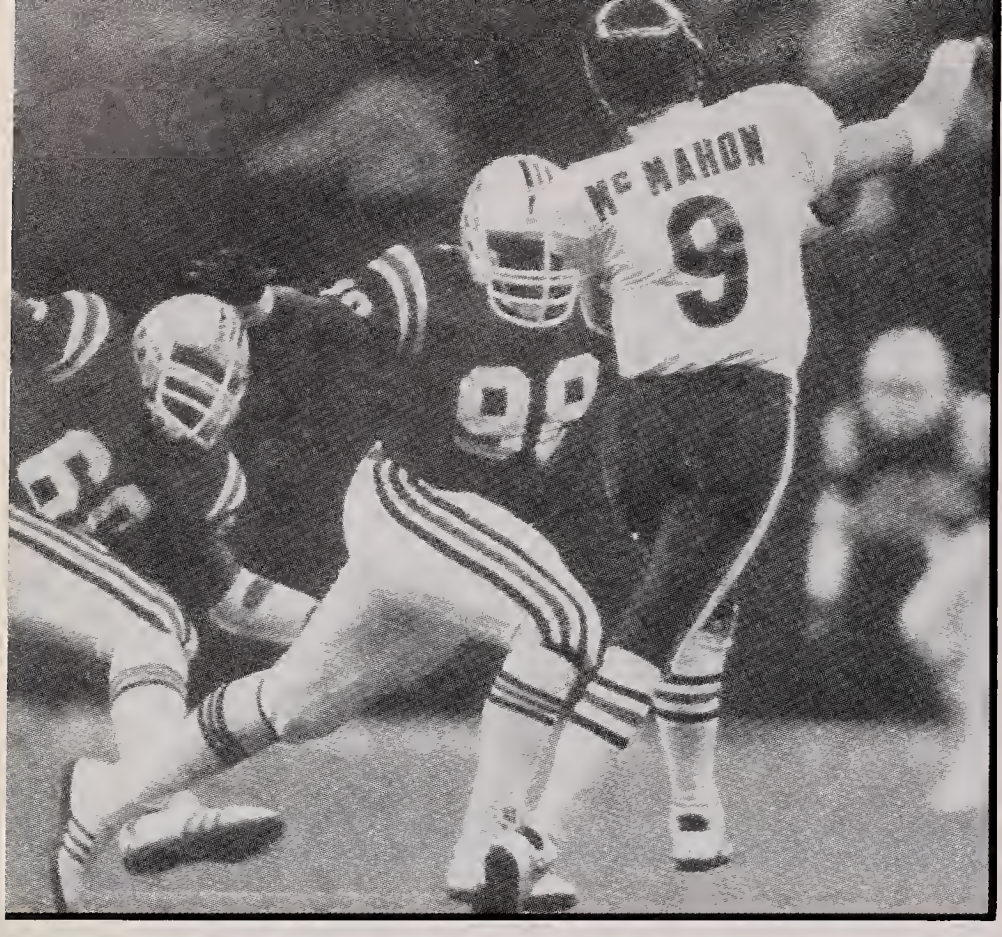
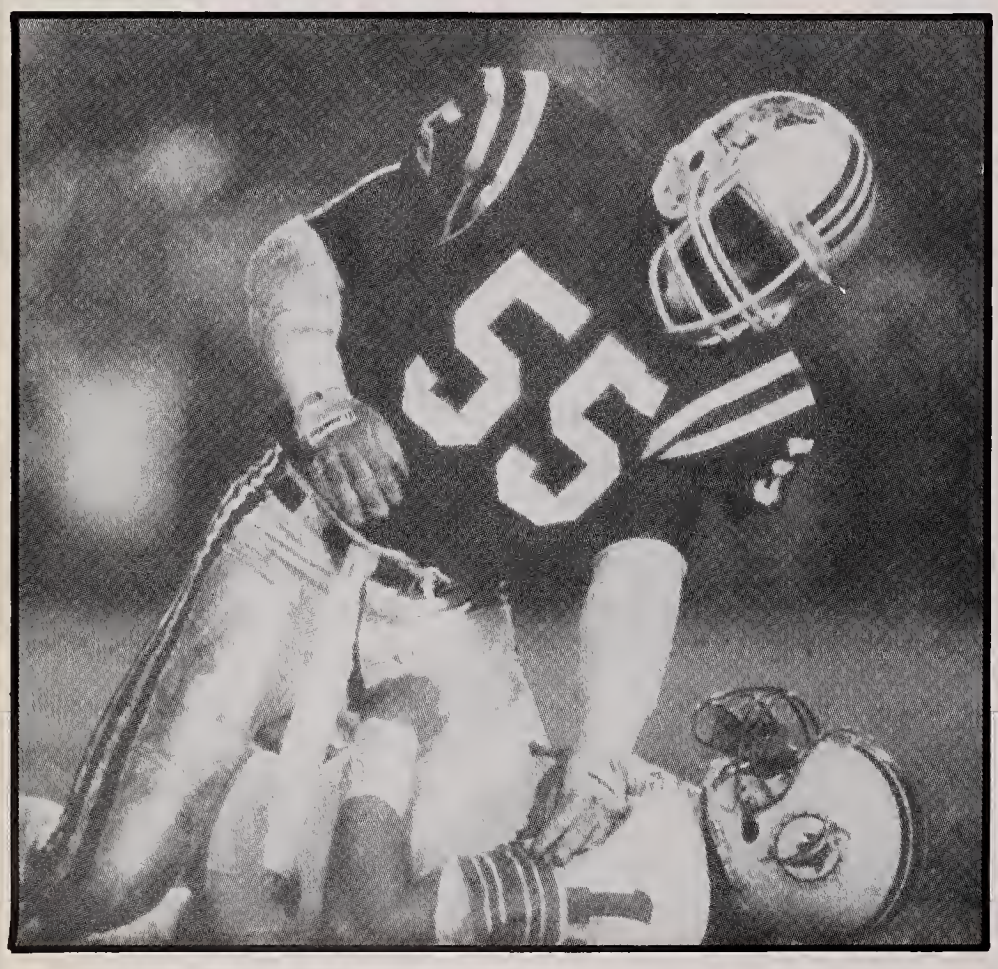
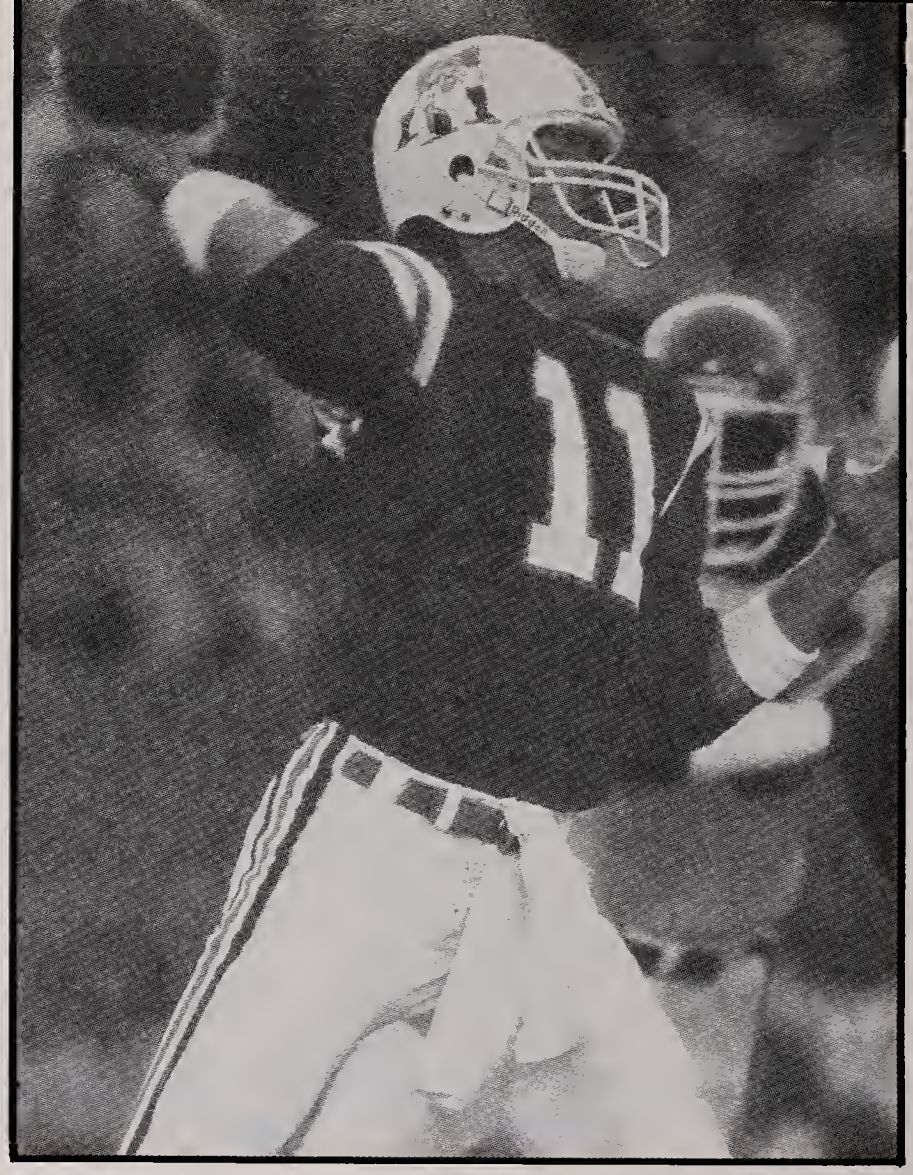
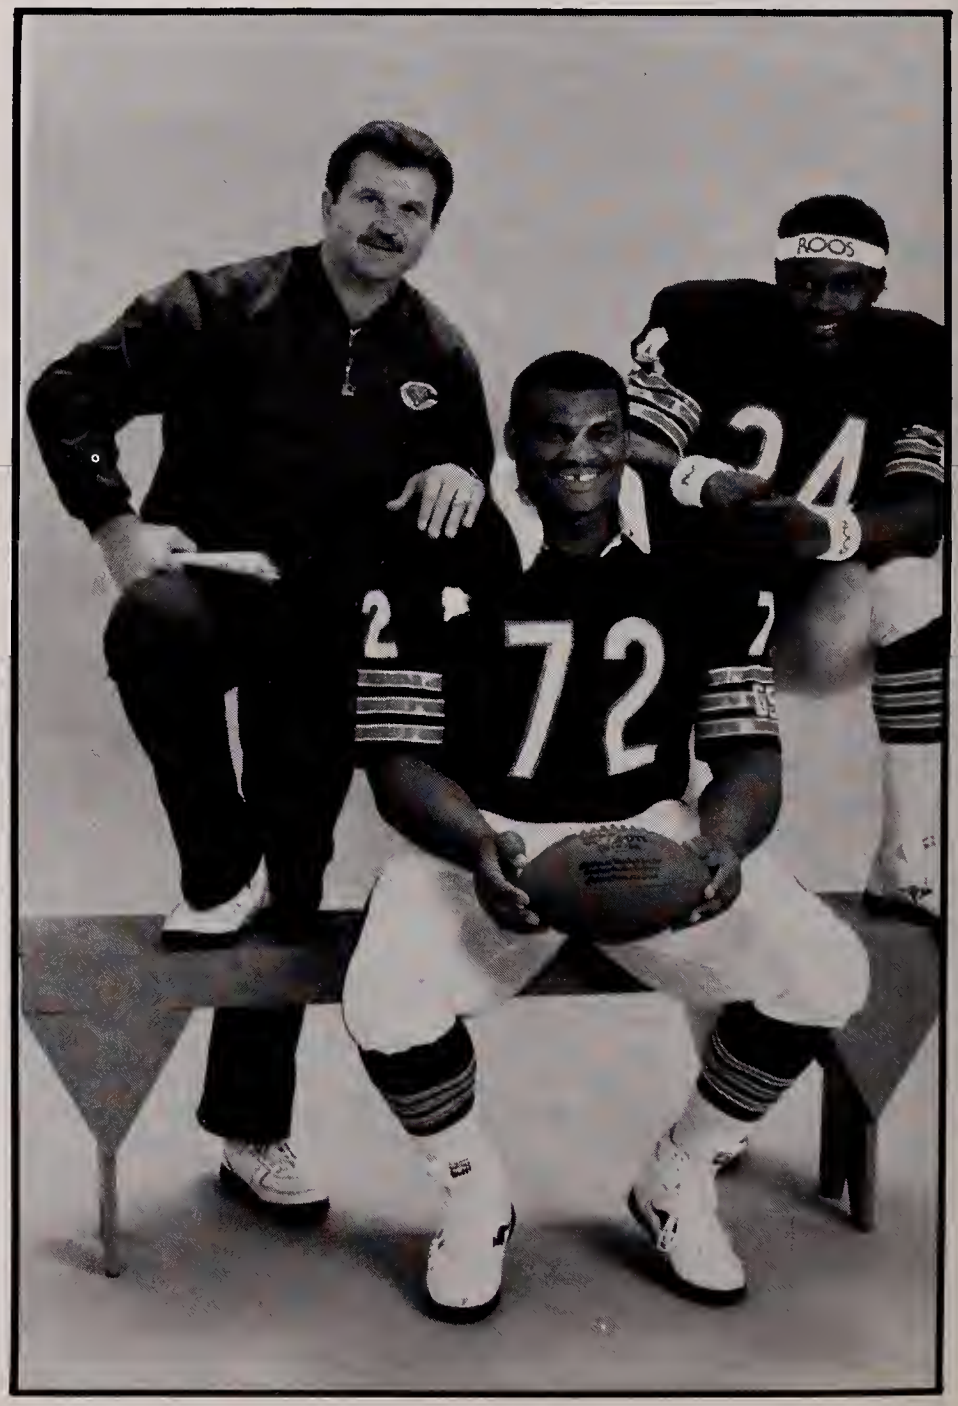
THE YEAR IN REVIEW





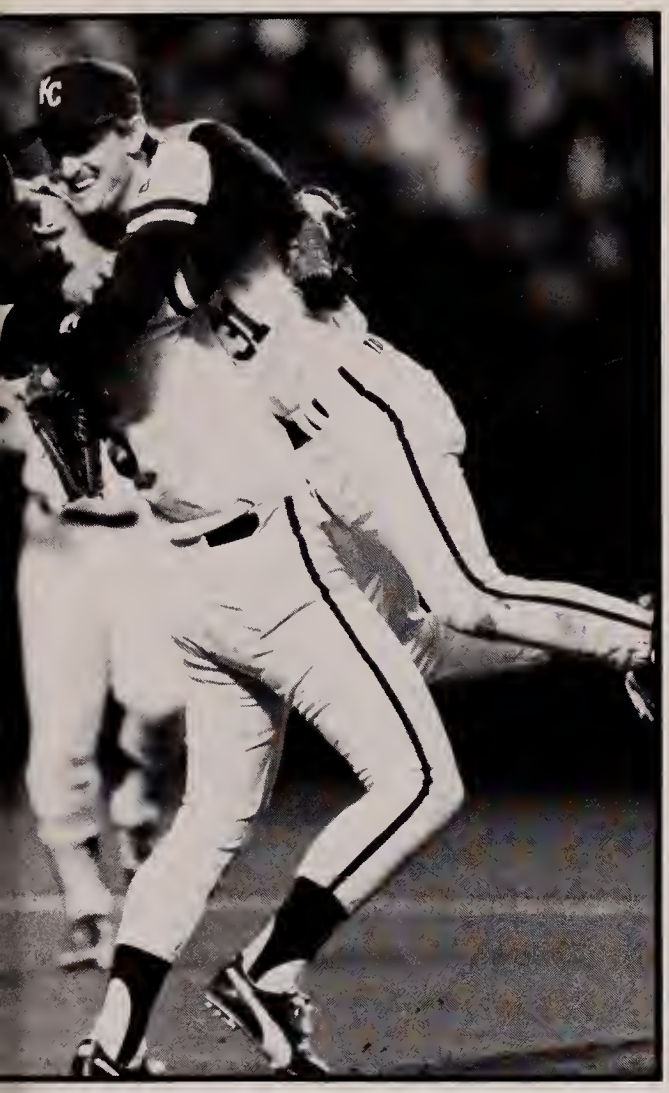




The New England Patriots *had their best season ever, with the Pats reaching the Super Bowl for the first time in their history.*

After a shaky start with Tony Easan as quarterback, and coach Raymond Berry calling the plays, Steve Gragan stepped in calling his own plays and helped win six straight victories.

After Gragan suffered a broken leg in a New York Jets game, Easan came back as a matured and confident player. As a wildcard team in the playoffs, Raymond Berry's Patriots won an emotional game against the Las Angeles Raiders. After that game, the Patriots did what they haven't been able to do since 1969- beat the Miami Dolphins in the Orange Bowl. With New England fans chanting "Squish the Fish", the Pats beat the Dolphins 31-14, giving the Pats a trip to New Orleans for a date with the Chicago Bears in Super Bowl XX. In that game, the Bears beat the Patriots 46-10. Althaught the Pats lost, they gained the respect that they deserved, and they realized that if they made it once, they can return again.



Cincinotti Reds ployer-monoger Pete Rose broke Ty Cobb's coreer hit record in September. The historic No. 4, 192 hit wos o single to left feild on o 2-1 pitch from Son Diego Podres right honder Eric Show with one out in the bottom of the first inning.

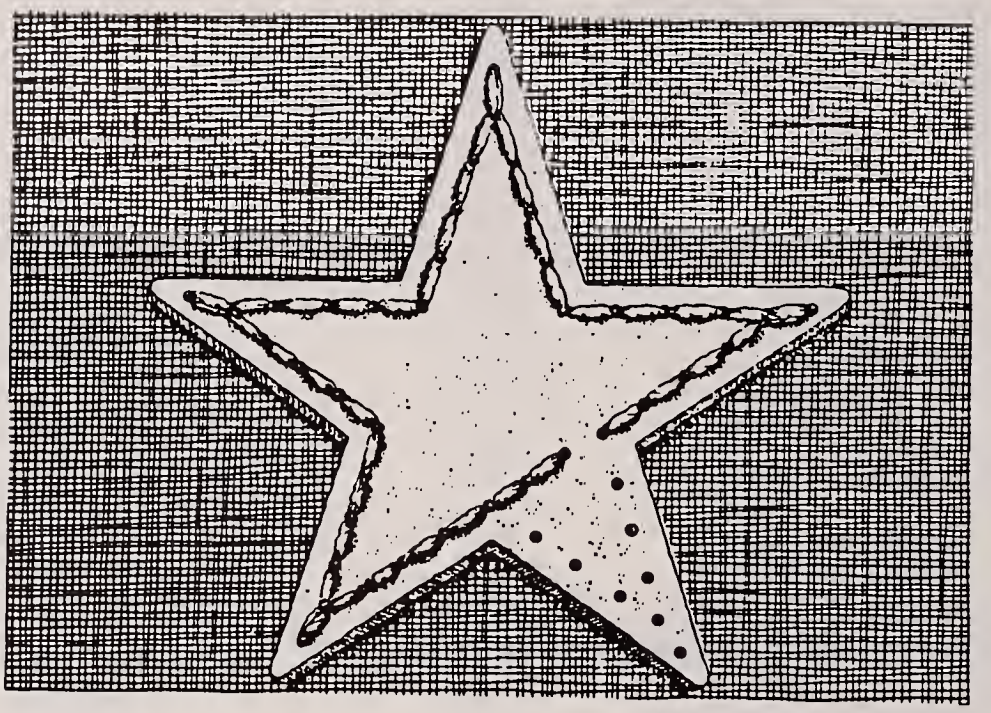
WILMAC BASEBALL IS A HIT
WITH US IN '1986'



NOBODY'S PERFECT.

When you make millions and millions of pairs of the world's finest athletic shoes as we do at Converse, you're bound to make a few boo boo's. A missed stitch here. A little skuff mark there. A tiny dab of glue that our quality inspectors get sticky about.

Nothing that in any way affects the performance of our shoes (in fact, most of the blemishes are so slight, you're going to have to look closely just to find them.) But standards are standards.

So, regretfully, every month we ship cases and cases of almost perfectly good basketball, football, tennis and running shoes to our Converse Factory Outlets and sell them at tremendous savings. All because, as good as we are at making athletic shoes, we're still not perfect. Aren't you glad?
